Proposal Form for International Movement of Household Goods & Vehicles

Insured	Origin City, Country		Date	
Destination (complete address)	Moving by (check one)	Land	Sea	Air
	E-Mail			

IMPORTANT – Please read carefully the notes below.
(i) It is important to reiterate that you must declare the full replacement value of the goods at destination as the policy is subject to average and you will have to bear a proportionate part of any loss or damage to articles not insured for their full replacement value. Please remember that replacement value at destination may be more than in the country of origin.

I declare that I have disclosed all material facts and that failure to do so could render the insurance void. I declare that the amounts stated above are the full values of the goods at destination. I have read the terms and conditions of insurance stated on the overleaf, and I understand that these will form the basis of the proposed contract between me and the insurers.

*This coverage will not be included unless additional insurance is purchased to cover these items.
